- Understanding
  - priori
  - posteriori
  - Categorization
  - Organization
- Concerning the knowledge of [mind](#)
  - known , memory
  - unknown
- Concerning logic of measures used to denote any quantity either , [Measures of construction](#)
  - [Zero](#) , non existence ,
  - [NUMERICALITY](#) , number , existence
- Concerning logic of choice
  - neither , nor
  - either , or
- Concerning the logic of constructs
  - and , with
  - without , nand
- Concerning the logic of state , condition or probability
  - positive outcome , true , on
  - negative outcome , false , off
- [Concerning the logic of referentiality](#)
  - [Ambiguous space](#)
  - [time](#)
  - Concerning the logic of forms to motion
    - [formality](#) , , [dimensions](#) ,
    - [action](#) , function , role , mechanical energy , kinetic energy , potential energy
    - whether the energy expressed is formless or formal
      - formless sounds , formless vocabulary , formless speech
      - formal alphabets , formal words , formal sentences
- Concerning the logic of Existence
  - [Combinations](#) , permutations
  - [Science](#)

## RELATIONS BASED ON CONTEXT

- Relation of dimensions to [time](#)
  - [Being](#)
  - Non being
- Relations of configuration to [action](#)

- [Configurational roles](#)
- [Artifact roles](#)
- Relations of essence to energy
  - [Chemical roles](#)
  - [life](#) or dead
- Relations of forms to evaluations
  - [formal roles](#)
- Relations of energy to [action](#)
  - Rest , potential energy
  - Motion , kinetic energy
- [MODES. VI.](#)
